ON **INTERNATIONAL CHILDREN'S DAY**
JOIN US BY SHARING A SIMPLE, BUT POWERFUL WISH
#FOREVERYCHILD

Last year, as we marked globally the 70th anniversary of our work for children, UNICEF has invited people from all over the world to pen a short story to tell the world what they wished **“for every child”**. Thousands of people answered the call, weaving their vision of a world where all children enjoy the right to survive and thrive, to learn and to grow up healthy and safe from harm.

This year, join the campaign by sharing your own wish #foreverychild on social media, using the hashtags **#1June** and **#UNICEFinBelarus**. Sometimes all we need is a helping hand and a word of support.
